## Essential Services - BURIAL or CREMATION

Essential Services is the starting point. Whether you are considering burial or cremation there are certain administrative functions that need to be carried out according to law.

- Transportation of the deceased from place of death
  - Coordination of burial/cremation with cemetery/crematorium
  - Preparation of Vital Statistics Forms and Registration of Death with Registrar General
  - Proof of Death Certificates (as many as are required)
  - Canada Pension Funeral Benefit and Spousal Benefit Packages
  - Preparation and insertion of Newspaper Notice if desired (newspaper costs extra)
  - Transportation of deceased to gravesite or crematorium
  - Post Funeral Consultation Services

## Casket Philosophy

- I would like the casket present in the venue for the service
- I prefer a service where no casket is required
- Leave decision to my survivors

Bedford has a variety of caskets and cremation urns, including eco-friendly products. We have provided a description of some of our most popular selections for your consideration:

- DIAMOND POPLAR \$1,725 - natural finish
  - HALTON POPLAR \$2,250 – light finish
  - WINDFIELD POPLAR \$2,995 - medium finish
  - MAPLE TRADITIONAL \$3,990 - dark finish
  - MAPLE RENTAL CASKET \$1,995 – same design as Maple Traditional with full cremation insert
